

We have combed through some of the best and highest-rated properties in the area (and stayed at a couple personally) and listed them here. We have also listed some key features of the properties and their proximity to certain parts of Augusta. If you want to get more information on these or other properties, we recommend checking out apartments.com to see more photos and info, or calling us or the apartment directly to ask questions! If you have your eye on another apartment building or would prefer to explore renting a townhouse or single-family home, please let us know and we can make it happen! Either way, we ask that you make your decisions roughly 1 month before your order start date so we can make sure everything is ready to go for your arrival!

We can accommodate all types of arrangements and enjoy finding solutions! For example, if you have a friend in the unit that you would like to live together with, if you have pets, etc. We will work with you and your specific circumstances to find the absolute best option. Please feel free to add all of that information on the form at the bottom of the Fort Eisenhower Mobilization Page, and we will get back to you soon. This is a fun and exciting opportunity for you to enjoy a new city and live in a fully furnished luxury apartment. Augusta is a fun town with lots to do, and we look forward to helping you select the best option for you and the lifestyle you want to lead here in Augusta!
